RESEARCH CENTRE  
FOR AGRICULTURE  
AND FORESTRY

Nordic Association  
of Agricultural  
Science

We invite you to participate in an on-line  
International Continues Scientific Conference

## Environmental sustainability in a climate change context: challenges and adaptation

Organised by Lithuanian Society of NJF.  
Participation in the conference is free of charge.  
The official language is English.

### PROGRAMME

of the 6<sup>th</sup> section

**“Plant responses and adaptations to a changing  
climate: challenges and opportunities”**

which will take place on **June 25, 2024**,  
from **10 to 12 a.m.** Eastern European time

Dr Aurelija Liatukienė, Dr Regina Skuodienė, Dr Eglė Norkevičienė,  
Dr Vilma Kemešytė

*Lithuanian Research Centre for Agriculture and Forestry*

**The response of alfalfa genotypes to mobile aluminium stress under  
field conditions**

PhD student Aida Skersienė, Dr Alvyra Šlepetienė

*Lithuanian Research Centre for Agriculture and Forestry*

**Assessment of SOC and WEOC stocks in the soil under swards with  
different root systems and fallow**

PhD student Ardas Kavaliauskas, Dr Renaldas Žydelis

*Lithuanian Research Centre for Agriculture and Forestry*

**Maize grain yield prediction combined field measurements with  
UAV multispectral imagery and machine learning**

Registration for participation:  
<https://forms.gle/3Kdd1yyTsxzfZbFTQ8>
